Subject:	Consultation submission Discussion paper - Waste levy and waste management: Proposed approaches for legislative reform
Date:	Friday, 17 November 2017 8:00:30 AM

Dear Sir,

While I generally support the changes this does not address the structural issues in the waste industry instead these are in effect being outsourced. It is recommended that these issues – where the next large waste sites are going be planned and not left to be imposed on Shires like Toodyay with potential adverse impacts.

Kind Regards,

Mr Graeme Bissett
