## Interpretation

In this licence:

- (a) the words 'including', 'includes' and 'include' in conditions mean "including but not limited to", and similar, as appropriate;
- (b) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form of that word or phrase has a corresponding meaning;
- (c) where tables are used in a condition, each row in a table constitutes a separate condition;
- (d) any reference to an Australian or other standard, guideline, or code of practice in this licence:
  - (i) if dated, refers to that particular version; and
  - (ii) if not dated, refers to the latest version and therefore may be subject to change over time;
- (e) unless specified otherwise, any reference to a section of an Act refers to that section of the EP Act; and
- (f) unless specified otherwise, all definitions are in accordance with the EP Act.

**NOTE:** This licence requires specific conditions to be met but does not provide any implied authorisation for other emissions, discharges, or activities not specified in this licence.

## Licence conditions

The licence holder must ensure that the following conditions are complied with:

### Infrastructure and equipment

1. The licence holder must ensure that the site infrastructure and equipment listed in Table 1 and located at the corresponding infrastructure location is maintained and operated in accordance with the corresponding operational requirement set out in Table 1.

**Table 1: Infrastructure and equipment requirements**

Site infrastructure and equipment	Operational requirements	Infrastructure location
Two dump sinks for feed delivery, transfer, and loading/unloading	<p>The dump sinks for feed delivery must be undertaken within enclosed sheds equipped with roller doors at the entry point ensuring the truck trailer is fully over the grid to minimise/prevent any dust escaping from the delivery operation</p> <p>Following delivery and the exit point swinging plastic doors must be fitted and that can close around the sides of the exiting delivery trucks to minimise dust emissions</p> <p>The dump sink for protein receival area must be enclosed from three sides</p>	Schedule 2: Premises Infrastructure location
conveyors	Operated and maintained to minimise dust lift off	
Feed mixer	The feed mixer and mixing of feed must be undertaken in fully enclosed sheds	
Hammer mill	Air discharged from the hammer mill must discharge via the cyclones to remove particulate matter from airstream	
Roller mill	equipped with a fully curtained dust collection bin	

2. The licence holder must record the following information in relation to complaints received by the licence holder (whether received directly from a complainant or forwarded to them by the Department or another party) about any alleged emissions from the premises:
  - (a) the name and contact details of the complainant, (if provided);
  - (b) the time and date of the complaint;
  - (c) the complete details of the complaint and any other concerns or other issues raised; and
  - (d) the complete details and dates of any action taken by the licence holder to investigate or respond to any complaint.

- 3.** The licence holder must:

  - (a) undertake an audit of their compliance with the conditions of this licence during the preceding annual period; and
  - (b) prepare and submit to the CEO by no later than **30 days** after the end of that annual period an Annual Audit Compliance Report in the approved form.
  
- 4.** The licence holder must maintain accurate and auditable books including the following records, information, reports, and data required by this licence:

  - (a) the calculation of fees payable in respect of this licence;
  - (b) any maintenance of infrastructure that is performed in the course of complying with condition 1 of this licence; and
  - (c) complaints received under condition 2 of this licence.
  
- 5.** The books specified under condition 4 must:

  - (a) be legible;
  - (b) if amended, be amended in such a way that the original version(s) and any subsequent amendments remain legible and are capable of retrieval;
  - (c) be retained by the licence holder for the duration of the licence; and
  - (d) be available to be produced to an inspector or the CEO as required.

## Definitions

In this licence, the terms in Table 2 have the meanings defined.
