

Air Quality Coordinating Committee

Terms of Reference

The Committee's Terms of Reference are to:

1. Oversee and monitor the implementation of the Perth Air Quality Management Plan (AQMP) and review progress towards achieving the aims and commitments of the Government under the AQMP;
2. Consult and guide finalisation of initiatives, programs or actions and consider new initiatives, programs or actions for inclusion under the AQMP;
3. Encourage engagement from and between Government, industry and community members on air quality issues; and
4. Report annually to the Government through the Minister for Environment on the progress in achieving performance targets set in the AQMP.

In fulfilling these tasks, the Committee will:

1. Meet at frequent intervals to review progress with the implementation of the AQMP;
2. Review the AQMP at frequent intervals to ensure content remains current;
3. Act as a conduit for the flow of reliable information to the community on Perth's air quality and its management and to the Government on issues of concern to the community in relation to these matters;
4. Report and advise the Minister for Environment on air quality issues as required or requested; and
5. Report annually to the Government through the Minister for Environment on the progress in achieving the performance targets set in the AQMP.
