Subject: Plastic Ban WA Submission

Categories: Blue category

I would go further than the standard submission. I am old enough to remember a world free of plastics. We got by just fine!

I challenge the govt to phase out plastic packaging completely over a decade. Hard plastic containers for tomatoes and apples in supermarkets should be banned.

I also am sick of seeing broken and used plastic toys and household items.

it all ends up the oceans and there are alternatives!

Get rid of it!

Thanks for reading, John Legg
