Table 2: Licence amendments

Instrument	Issued	Amendment
L5425/1989/11	22/06/2017	Amendment Notice 1 Licence amendment to extend the expiry date by 12 months.

Decision

DER's *Guidance Statement: Licence Duration* provides for the granting of licences for up to 20 years duration. In 2016, DER implemented this guidance statement by extending the durations for most licensed prescribed premises.

The expiry date for this licence was not extended as part of this project, as DER had anticipated completing a review of the premises as part of the licence renewal in 2017.

DER has not been able to undertake this review prior to the 2017 licence expiry. The Delegated Officer has therefore determined to extend the expiry date by 12 months, which will enable both DER and the Licence Holder to undertake an ordered and structured review of the premises in accordance with DER's risk-based regulatory framework.
