Amendment

The Chief Executive Officer (CEO) of the Department of Environment Regulation (DER) has amended the above licence in accordance with section 59 of the *Environmental Protection Act 1986* as set out in this Amendment Notice.

Date signed: 6 January 2017

Christine West
Manager Licensing (Process Industries)

an officer delegated under section 20 of the Environmental Protection Act 1986 (WA)

Amendment Notice

This notice is issued under section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the licence L6637/1995/15 issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B(9) of the EP Act.

Amendment Description

Electricity Generation and Retail Corporation T/A Synergy is the Occupier and Licence Holder of the Collie A Power Station in Collie, Western Australia.

On 12 September 2016, the Licence Holder submitted an application to amend administrative details of the Licence. This amendment notice is issued to update the registered business address.

Decision

The proposed changes do not alter the risk of the premises or the type and quantities of waste emitted.
