Amendment description

DWER has initiated an amendment to update the site map on the licence. The licence was amended 12 April 2018 to permit the upgrade of the chlorination unit and associated infrastructure. As part of these works the irrigated water sample point will be moved out of the storage dam and a new sample point outside of the dam will be installed as part of the upgrade. The new site map was provided as part of the comments on Amendment Notice 1 however the final notice was issued with the incorrect map.
