## Amendment

The Department of Environment Regulation (DER) has amended the above licence in accordance with section 59 of the *Environmental Protection Act 1986* as set out in this Amendment Notice.

Date signed: 15 December 2016

.....  
**Alana Kidd**  
**Manager Licensing – Resource Industries**

an officer delegated under section 20 of the *Environmental Protection Act 1986* (WA)

## Amendment Notice

This Notice is issued under section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the licence issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B(9) of the EP Act.

## Amendment Description

On 15 September 2016 the Paulsens Gold Mine operating licence L7969/2004/3 was amended to include category 63 and 64 on the licence and approve a new inert waste disposal location. At the time of that amendment, the landfill location map (L7969/2004/3 Attachment 5) was not updated to reflect the location of the new inert landfill proposed to be constructed in the waste rock dump extension.

On 15 November 2016 Northern Star Resources Limited (Licence Holder) submitted an application to DER for an amendment to the Paulsens Gold Project licence (L7969/2004/3). The Licence Holder has requested that the landfill location map be updated to reflect the location of the inert landfill approved under the amendment issued 15 September 2016.

## Decision

The landfill location map (L7969/2004/3 Attachment 5) has been updated.

## Amendment History

Instrument	Issued	Amendment
L7969/2004/3	21/11/2013	Amendment issued to correct the company registered business address.
