## Amendment

The Department of Environment Regulation (DER) has amended the above licence in accordance with section 59 of the *Environmental Protection Act 1986* as set out in this Amendment Notice.

**Adrian Wiley**

**EXECUTIVE ADVISOR, LICENSING AND APPROVALS**

*an officer delegated under section 20 of the Environmental Protection Act 1986 (WA)*

## Amendment Notice

This Notice is issued under section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the licence issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B(9) of the EP Act.

## Amendment Description

DER's Guidance Statement on Licence Duration provides for the granting of licences for up to 20 years duration. DER is implementing this guidance statement by extending the duration of all licenced prescribed premises.

DER has given consideration to the matters in the *Guidance Statement: Licence Duration* as follows:

- confirmation from license holders and local government authorities have been requested to ensure that amended expiry dates do not exceed the duration of any relevant planning approvals and mining tenements;
- risk-based reviews for the assessment of licensed prescribed premises will be undertaken in accordance with DER's regulatory framework;
- licensed prescribed premises will be subject to ongoing compliance inspections and investigations following incidences and complaints, in accordance with the EP Act;
- in the event that risk issues arise in relation to licensed prescribed premises, the CEO may, depending on the circumstances:
  - amend the conditions of licensed prescribed premises at any time;
  - in the event of an alleged offence, exercise enforcement powers under the EP Act, including an environmental protection notice; and
  - in the event of breach of licence conditions, revoke the licence;
- to ensure the efficient operation of the licensing regime, the regulatory burden of frequent renewals in the absence of full assessment has been removed; and
- the extension of expiry dates will enable both DER and affected license holders to undertake an ordered and structured implementation of DER's risk-based regulatory framework to existing premises.

## Decision

The Delegated Officer has determined that the expiry date of this licence should be amended to 13 December 2026.

## Amendment

1. The licence duration has been extended from 13 December 2016 to 13 December 2026.
