RE: LICENCE RENEWAL APPLICATION L9064/2017/1, Baldivis Pit (Kerosene Lane), BALDIVIS WA 6171

Over the previous 12 months there has been minimal activity at the Baldivis Pit (Kerosene Lane) site. It is likely the following 12 months will remain quiet for the waste and recycling aspects associated with prescribed categories 62 and 63. There is a 50% chance, sand and limestone extraction may occur midway through the following year.

- There have been no discharges that attract a fee component.
- Site throughputs remain the same.
 - Category 12: Screening, etc, of material – 500,000 tonnes per annual period
 - Category 13: Crushing of building material – 100,000 tonnes per annual period
 - Category 62: Solid waste depot – 100,000 tonnes per annual period
 - Category 63: Class I inert landfill – 100,000 tonnes per annual period
- A DWER Compliance Inspection was undertaken 19 February 2025, requiring no further action.

For the licence renewal application, please find the enclosed supporting documentation for licence number L9064/2017/1.
