1. Decision summary

The Delegated Officer has determined to make amendments to Licence L6736/1993/12. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

As a result, Revised Licence L6736/1993/12 has been granted.

2. Scope of assessment

2.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Amendment summary

Licence L6736/1993/12 is held by Skank Boy Pty Ltd (Licence Holder) for the El Caballo Golf Course (the Premises), located at Lot 88 on Plan 39712, 88 Great Eastern Highway, Wundowie.

The Premises relates to the categories 61 (liquid waste facility) and 85 (sewage facility) and the design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence L6736/1993/12.

On 29 April 2021, the department initiated an amendment to Licence L6736/1993/12. The amendment is to extend the expiry date from 14 June 2021 to 14 June 2023. The two year extension is to provide the Licence Holder sufficient time to submit the information required for a licence renewal application and for the department to complete an assessment of the risks of emissions and environmental harm from the prescribed premises and identify the potential source, pathway and impact to receptors in accordance with the Regulatory Framework.

3. Consultation

The Licence Holder was provided with the draft Amendment Report and Amended Licence on 12 May 2021. On 28 May 2021 the Licence Holder waived the comment period and did not provide any comments on the draft instrument.
