2. Amendment Description

The Total Waste Management facility is located on Hampton location 221 Reserve 42000 in Boulder, WA. The Existing Licence was issued 14 July 2011, licencing the Premises as a Category 61 (Liquid waste facility), 61A (Solid waste facility), and 62 (Solid waste depot).

This amendment is made pursuant to section 59 of the Environmental Protection Act 1986 (EP Act) to amend the Licence issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B(9) of the EP Act.

As the Department of Water and Environmental Regulation (DWER) has not yet completed the development of guidelines on the full reassessment of renewed licenses, the Delegated Officer has extended the licence expiry date for the premises. A full reassessment of the premises licence and operations will be considered on a risk-basis within the context of DWER's Licence Review Programme.

This amendment also incorporates changes to the formatting and style of the licence. The obligations of the Licence Holder have not changed in making this amendment. During this amendment, DWER has not undertaken any additional risk assessment of the Premises.

The Delegated Officer has:

- Deleted the redundant AACR form set out previously in Schedule 2 of the Licence. The Licence Holder is advised to obtain the form from the Department's website;
- Corrected clerical mistakes and unintentional errors; and
- Determined that an amendment be granted to extend the licence duration by a period of 5 years, with a new expiry date of 13 July 2024.
