1. Decision summary

The Delegated Officer has determined to make amendments to Licence L8617/2011/2. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act). The decision report for the Existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Amendment summary

Licence L8617/2011/2 is held by Goldview Metals Limited (Licence Holder) for the New Orient Gold Mine (the Premises), located at Mining Tenements M21/66 and M21/140.

The Premises relates to the Category 6: Mine dewatering and the assessed production capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence L8617/2011/2.

On 27 November 2024, the department initiated an amendment to Licence L8617/2011/2. The amendment is limited to extending the licence expiry date by a further 10 year period.

3. Consultation

The Licence Holder was provided with the draft Amendment Report on 10 January 2025. On 13 January 2025 the Licence Holder waived the comment period.

4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended licence will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the Revised licence as part of the amendment process.
