## 1. Decision summary

The Delegated Officer has determined to make amendments to Licence L9099/2017/1. The amendments are administrative in nature therefore they do not alter the risk profile of the premises, providing those activities, emissions and receptor as stated in existing approvals remain unchanged.

This Transfer Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision document for the existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

## 2. Scope of assessment

### 2.1 Regulatory framework

In transferring the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

### 2.2 Application summary

Licence L9099/2017/1 is currently held by Kundana Gold Pty Ltd for the Carbine/Paradigm Project Area (the premises), located at mining tenement M16/548 in Coolgardie Western Australia.

The premises relate to the categories and the assessed production capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence L9099/2017/1.

On 30 August 2021, Evolution Mining Limited (the applicant) applied to the department to transfer Licence L9099/2017/1 under section 59B of the *Environmental Protection Act 1986* (EP Act). The change to the licence is limited only to updating the licence holder details as follows:

Evolution Mining Limited

ACN: 084 669 036

Registered Address: Level 24, 175 Liverpool Street SYDNEY NSW 2000

## 3. Conclusion

The Delegated Officer determined that the transfer of the Licence is an administrative amendment which does not alter the risk profile of the premises. Following a review of the ASIC company details, the Delegated Officer transferred the Licence to Evolution Mining Limited. The premises shall continue to operate in accordance with the original Licence conditions and regulatory requirements.

### 3.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the revised licence as part of the amendment process.
