1. Decision summary

The delegated officer has determined to make amendments to licence L9126/2018/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This amendment report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

1.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

1.2 Amendment summary

Licence L9126/2018/1 is held by WA Gravel Pty Ltd (Licence Holder) for the Hoddys Well Quarry (the Premises), located at Lot 22 (Deposited Plan 420530) Chitty Road, Hoddys Well WA 6566.

The Premises relates to the categories and the assessed production/design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing licence L9126/2018/1.

On 26 June 2026, the department initiated an amendment to licence L9126/2018/1. The amendment is limited to extending licence expiry date by 6 months, to provide sufficient time to assess the recently submitted licence renewal application. No reassessment of risk has been undertaken at this time.

2. Consultation

The licence holder was provided with the draft amendment report on 26 June 2026. Comments received from the licence holder on 30 June 2026 have been considered by the delegated officer.

3. Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the revised licence as part of the amendment process.
