4.1 Summary of amendments.....	1

## 1. Decision summary

The Delegated Officer has determined to make amendments to Licence L9259/2020/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the Existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

## 2. Scope of assessment

### 2.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

### 2.2 Amendment summary

Licence L9259/2020/1 is held by Golden Spur Resources Pty Ltd (Licence Holder) for the Bellevue Gold Project (the Premises), located at Within Mining tenements M36/24, M36/25 and M36/299, Goldfields Highway, Shire of Leonora.

The Premises relates to the categories 5, 6, 52, 54, 64 and 70 and the assessed production/design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence L9259/2020/1.

On 3 December 2024, the department initiated an amendment to Licence L9259/2020/1. The amendment is limited to renumbering of conditions, tables and correcting any unintended errors that occurred during the conversion process.

## 3. Consultation

The Licence Holder was provided with the draft Amendment Report on 21 January 2025. On 22 January 2025, the Licence Holder waived the comment period with no comments.

## 4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended licence will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

### 4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the Revised licence as part of the amendment process.

**Table 1: Summary of licence amendments**
