1. Decision summary

The delegated officer has determined to make amendments to Works Approval W6182/2018/1. The amendments are administrative in nature therefore they do not alter the risk profile of the premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This amendment report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the existing works approval will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

In amending the works approval, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Application summary

Works Approval W6182/2018/1 is held by Water Corporation (works approval holder) for the Beenyup Wastewater Treatment Plant (the premises), located on Ocean Reef Road, Craigie.

The premises relates to the category and the assessed design capacity under Schedule 1 of the Environmental Protection Regulations 1987 (EP Regulations) which are defined in existing Works Approval W6182/2018/1.

On 1 August 2024, the works approval holder submitted an application to the department to amend Works Approval W6182/2018/1 under section 59B of the *Environmental Protection Act 1986* (EP Act). The amendment is limited only to extending the works approval duration due to delays in construction.

3. Consultation

On 12 September 2024, the works approval holder received a draft amendment report and waived the comment period.

4. Conclusion

Based on the assessment in this amendment report, the delegated officer has determined that an amended works approval will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements
