1. Decision summary

The Delegated Officer has determined to make amendments to Works Approval W6616/2021/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the existing Works Approval will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

In amending the Works Approval, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Application summary

Works Approval W6616/2021/1 is held by Fortescue Ltd (Works Approval Holder) for the Rail Camp 145 (the Premises), located at Mining Tenement G45/286.

The Premises relates to the Category 85: Sewage Facility and the assessed design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Works Approval W6616/2021/1.

On 14 October 2024, the Works Approval Holder submitted an application to the department to amend Works Approval W6616/2021/1 under section 59B of the *Environmental Protection Act 1986* (EP Act). The amendment is limited only to updating the premises details and extending the expiry date of the existing works approval duration.

3. Consultation

The Works Approval Holder was provided with the draft Amendment Report on 17 December 2024. On 20 December 2024 the Works Approval Holder waived the comment period.

4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended Works approval will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

4.1 Summary of amendments
