1. Decision summary

The Delegated Officer has determined to make amendments to Works Approval W6696/2022/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Inghams Osbourne Park abattoir (the Premises), providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

2. Scope of assessment

2.1 Regulatory framework

In amending the works approval, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Amendment summary

Works Approval W6696/2022/1 is held by Inghams Enterprises Pty Ltd (works approval holder) for the Premises. The works approval expires on 15 January 2026.

On 11 November 2024, the department initiated an amendment to extend the duration of time limited operations at the premises. The amendment is limited only to extending the duration of time limited operations to allow sufficient time to install and commission a replacement balance tank of the new wastewater treatment system at the Premises and submit the necessary reports required by the conditions of the works approval.

3. Consultation

The works approval holder was provided with the draft amendment on 13 November 2024. The Works Approval Holder responded to the department on 15 November 2024 asking to waive the comment period.

4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended to the expiry date of undertaking time limited operations at the premises will be made, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

4.1 Summary of amendments

Table 1 below provides a summary of the amendments and will act as a record of implemented changes. All changes have been incorporated into the revised works approval as part of the amendment process.
