### **Annual Audit Compliance Report Form**

Environmental Protection Act 1986, Part V

| Section A – Licence Details |  |                      |             |
|-----------------------------|--|----------------------|-------------|
| Licence number:             | L8461/2010/2   | Licence file number: | 2010/004171 |
| Licence holder:             | Cleanaway Daniels Services Pty Ltd (A division of the Cleanaway Group) |                      |             |
| Trading as:                 | Cleanaway Daniels services   |                      |             |
| ACN:                        | 093 315 014  |                      |             |
| Registered address:         | 19 Coolibah Way<br>Bibra Lake WA 6163                                  |                      |             |
| Reporting period:           | 1 /11 /2020 <b>to</b>  | 31 / 10 / 2021       |             |
|                             |  |                      |             |

#### **Section B – Statement of Compliance with Licence Conditions**

Did you comply with all of your licence conditions during the reporting period? (please tick the appropriate box)

☐Yes – please complete:

- section C;
- · section D if required; and
- sign the declaration in Section F.

#### ⊠No – please complete:

- section C;
- section D if required;
- section E; and
- sign the declaration at Section F.

#### **Section C – Statement of Actual Production**

Provide the actual production quantity for this reporting period. Supporting documentation is to be attached.

| Prescribed Premises Category | Actual Production Quantity |  |
|------------------------------|----------------------------|--|
| 61A                          | 1160T                      |  |
| 62                           | 350T                       |  |

# Section D – Statement of Actual Part 2 Waste Discharge Quantity

Provide the actual Part 2 waste discharge quantity for this reporting period. Supporting documentation is to be attached.

| Prescribed Premises Category | Actual Part 2 Waste Discharge Quantity |  |
|------------------------------|--|--|
|                              |  |  |

| Section E - Deta   | Section E – Details of Non-Compliance with Licence Condition |                                |  |  |
|--|--|--------------------------------|--|--|
| Please use a separate page for each condition with which the licence holder was non-compliant at a time during the reporting period.   |  |                                |  |  |
| Condition no:  | 1.2.3  | Date(s) of non-<br>compliance: | Identified within DWER inspection from 9/12/2020 |  |
| Details of non-comp  | pliance:   |                                |  |  |
| A range of non-con   | npliances were picked up from                                | n the inspection of 9/1        | 2/2020.  |  |
| Waste accepted at the premises are only subjected to the processes set out in Table 1.2.2 and in accordance with any process limits set out in that table.  DWER identified that storage/process was not being carried out in a compliant manner |  |                                |  |  |
| What was the actua   | al (or suspected) environmen                                 | tal impact of the non-c        | ompliance?                                       |  |
| <b>NOTE</b> – please attach maps or diagrams to provide insight into the precise location of where the non-compliance took place.  |  |                                |  |  |
| No environmental impact resulted from the non-compliance.  |  |                                |  |  |
| Cause (or suspected  | ed cause) of non-compliance:                                 |                                |  |  |
| Inappropriate storage space available on site. Information provided back to DWER sufficiently closed out this matter.  |  |                                |  |  |
| Action taken to mitigate any adverse effects of non-compliance and prevent recurrence of the non-compliance:   |  |                                |  |  |
| Information provided back to DWER in response to the inspection sufficiently closed out this matter.   |  |                                |  |  |
| Was this non-compliance previously reported to DWER?   |  |                                |  |  |
| ☐ Yes, and   |  |                                |  |  |
| ☐ Reported to  | DWER verbally  | Date: / /                      |  |  |
| ☐ Reported to  | DWER in writing  | Date: / /                      |  |  |

Section E – Details of Non-Compliance with Licence Condition

## Department of Water and Environmental Regulation

| Condition no:  4.2.1 Table 4.2.1  Date(s) of non-compliance:  Waste output data was not provided in the Annual Environmental Return 2020.  What was the actual (or suspected) environmental impact of the non-compliance?  NOTE — please attach maps or diagrams to provide insight into the precise location of where the non-compliance took place.  Not applicable  Cause (or suspected cause) of non-compliance:  DWER was provided with this information in the 2020 environmental Annual return, however the detail was unclear.  Action taken to mitigate any adverse effects of non-compliance and prevent recurrence of the non-compliance:  Information provided back to the DWER in response to the matter sufficiently closed out the matter.  Was this non-compliance previously reported to DWER?  Personated to DWER verbally  Date: / / | Please use a separate page for each condition with which the licence holder was non-compliant at a time during the reporting period. |                                  |                         |                            |
