Dear Ms Faulkner

CPS 818/6 PROPOSED CLEARING GERALDTON MOUNT MAGNET ROAD

I refer to your letter dated 16 April 2012, with regards to Main Roads Western Australia (MRWA's) proposed material source adjacent to the Geraldton Mount Magnet Road SLK 222.45 (Lot 126 on Plan 220579, Yalgoo).

Attached is the Biological Survey that was conducted at the proposed clearing area (Figure 1 & Table 1) and the surrounding area.

The outcome of the Biological Survey noted that the proposed project is not likely at variance with the clearing principles. Section 5.2 of the report details the methodology used to assess against the Ten Clearing Principles.

If you require any further information please contact Anna Sutherland on 99 56 1207.

Yours faithfully

Bernie Miller
REGIONAL MANAGER MID WEST
