Application for exemption under regulation 5(1)(i)
of the *Waste Avoidance and Resource Recovery Levy Regulations 2008*

FORM LL02-11

Regulation 5 of the *Waste Avoidance and Resource Recovery Levy Regulations 2008* (Levy Regulations) sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(1)(i)** being:

- (i) asbestos containing material if the material is —
 - (i) taken to the licensed landfill other than in contravention of the *Environmental Protection (Controlled Waste) Regulations 2004* regulation 44; and
 - (ii) buried at the licensed landfill in compliance with the conditions of the licence;

This exemption provision is only applicable for licensed landfills who may accept and bury Special Waste Type 1 asbestos and asbestos containing material.

Applicants should note that exemptions should be in place prior to 28 days after the end of the return period to avoid landfill levy liability arising.

Before submitting this application form please ensure you have done the following:

- Completed and signed the form as required.
- Included copies of the supporting information required as set out in the form.
- Read the Landfill Levy Fact Sheet No. 3 – Asbestos containing materials (www.der.wa.gov.au/landfilllevy).

If there is insufficient room on any part of this form, continue on a separate sheet of paper and attach to this application form numbering ALL pages

Incomplete or illegible applications will not be processed. If you are unsure about completing any part of this application, please contact the Department of Environment Regulation (DER) on (08) 6467 5000. DER recommends that a copy of this form is retained by the licensee.
