MANAGER, PROCESS INDUSTRIES

an officer delegated under section 20 of the *Environmental Protection Act 1986* (WA)

Definitions

'Annual Audit Compliance Report (AACR)' means a report submitted in a format approved by the CEO (relevant guidelines and templates may be available on the Department's website).

'Department' means the department established under section 35 of the Public Sector Management Act 1994 (WA) and designated as responsible for the administration of the EP Act, which includes Part V Division 3.

'CEO' means Chief Executive Officer of the Department.

'CEO and "Department of Water and Environmental Regulation" for the purpose of correspondence means either:

Director General

Department administering the Environmental Protection Act 1986

Locked Bag 10

Joondalup DC WA 6919

or:

info@dwer.wa.gov.au

'Licence Holder' means Bartter Enterprises Pty Ltd

'Premises' means Bartter Enterprises Pty Ltd located at 116 Howe Street, on Lot 10 on Diagram 55851 and Lots 204 & 205 on Plan 2809, Osborne Park as shown in Schedule 1.

Conditions of licence

General Conditions

- G1 Nothing in the Licence must be taken to authorise any emission that is not mentioned in the Licence, where the emission amounts to:
- (a) pollution;
 - (b) unreasonable emission;
 - (c) discharge of waste in circumstances likely to cause pollution; or
 - (d) being contrary to any written law.

Monitoring and Reporting

- G2(a) The Licence Holder must by, **1 February each year**, provide an Annual Monitoring Report containing data collected over the previous calendar year (**1 January to 31 December**). The report shall contain:
- (i) monitoring data or other collected data required by any condition of this licence; and
 - (ii) the number and type of complaints received including complainants name, address, nature of complaint (where appropriate cross referenced with prevailing wind directions) and action taken; and
 - (iii) any changes to site boundaries, on-site operations, stormwater drainage, wastewater handling and management and on-site or off-site impacts.

- G2(b) The Licence Holder must maintain a monthly record of animal numbers slaughtered at the premises. The Licence Holder must provide a copy of this record to the CEO in the Annual Report in a tabular format.

Annual Audit Compliance Monitoring

- G2(c) The Licence Holder must by **1 February in each year** provide to the CEO an Annual Audit Compliance Report in the form available on the department's website, indicating the extent to which the Licence Holder has complied with the conditions of this licence, and any previous licence issued under Part V of the Act for the Premises, during the period beginning **1 January the previous year and ending on 31 December** in that year.

Air Pollution Control Conditions

Dust - General Requirement

- A1 The Licence Holder must take measures to control the generation of visible dust from all animal holding facilities, open areas, animal handling and transport activities.

Water Pollution Control Conditions

Stormwater Management

- W1(a) The Licence Holder must maintain drainage facilities at the premises to ensure that uncontaminated stormwater is not contaminated by any process or activity within the premises.
- W1(b) The Licence Holder must direct all uncontaminated stormwater to dedicated stormwater collection devices or drains.

Process Water

- W2(a) The Licence Holder must direct all contaminated or potentially contaminated wastewater produced from the activities of the abattoir and holding facilities to the wastewater treatment system.
- W2(b) The Licence Holder must direct treated wastewater from the wastewater treatment system to the Water Corporation's sewer in accordance with the requirements of the Water Corporation.

Solid Waste Pollution Control Condition

- S1 The Licence Holder must ensure that any solid wastes generated at the premises are collected in impervious holding facilities for recycling or export off-site to approved facilities.

END OF CONDITIONS
