29/04/2016	L8465/2010/2	Expiry date amended to 11/11/2024.
1/11/2024	L8465/2010/2	Expiry date amended to 11/11/2029

## Interpretation

In this licence:

- (a) the words ‘including’, ‘includes’ and ‘include’ in conditions mean “including but not limited to”, and similar, as appropriate;
- (b) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form of that word or phrase has a corresponding meaning;
- (c) where tables are used in a condition, each row in a table constitutes a separate condition;
- (d) any reference to an Australian or other standard, guideline, or code of practice in this licence:
  - (i) if dated, refers to that particular version; and
  - (ii) if not dated, refers to the latest version and therefore may be subject to change over time;
- (e) unless specified otherwise, any reference to a section of an Act refers to that section of the EP Act; and
- (f) unless specified otherwise, all definitions are in accordance with the EP Act.

**NOTE:** This licence requires specific conditions to be met but does not provide any implied authorisation for other emissions, discharges, or activities not specified in this licence.

## Licence conditions

### 1 General

#### 1.1 Definitions

1.1.1 For the purposes of this Licence, unless the contrary intention appears:

**'annual period'** means the inclusive period from 1 July until 30 June in the following year;

**'Approved form'** means the Annual Audit Compliance Report (AACR) form template approved by the CEO for use and available via DWER's external website.

**'CEO'** means Chief Executive Officer of the department.

"submit to / notify the CEO" (or similar), means either:

Director General

Department administering the *Environmental Protection Act 1986*

Locked Bag 10

Joondalup DC WA 6919

or:

[info@dwer.wa.gov.au](mailto:info@dwer.wa.gov.au)

**'condition'** means a condition to which the licence is subject under section 62 of the EP Act

**'controlled waste'** has the definition in *Environmental Protection (Controlled Waste) Regulations 2004*;

**'department; DWER'** means the department established under section 35 of the Public Sector Management Act 1994 (WA) and designated as responsible for the administration of the EP Act, which includes Part V Division 3

**'EP Act'** means the *Environmental Protection Act 1986*

**'Licence'** means this Licence numbered L8465/2010/2 and issued under the EP Act;

**'Licence Holder'** refers to the occupier of the premises, being the person specified on the front of the licence as the person to whom this licence has been granted.

**'Premises'** means the area defined in the Premises Map in Schedule 1 and listed as the Premises address on page 1 of the Licence;

**'Schedule 1'** means Schedule 1 of this Licence unless otherwise stated;

## 1.2 General conditions

1.2.1 Nothing in the Licence shall be taken to authorise any emission that is not mentioned in the Licence, where the emission amounts to:

- (a) pollution;
- (b) unreasonable emission;
- (c) discharge of waste in circumstances likely to cause pollution; or
- (d) being contrary to any written law.

1.2.2 The licence holder must operate and maintain all pollution control and monitoring equipment to the manufacturer's specification or any relevant and effective internal management system.

1.2.3 The licence holder must immediately recover, or remove and dispose of spills of environmentally hazardous materials outside an engineered containment system.

1.2.4 The licence holder must:

- (a) implement all practical measures to prevent stormwater run-off becoming contaminated by the activities on the Premises; and
- (b) treat contaminated or potentially contaminated stormwater as necessary prior to being discharged from the Premises.<sup>1</sup>

Note1: *The Environmental Protection (Unauthorised Discharges) Regulations 2004* make it an offence to discharge certain materials into the environment.

## 2 Information

### 2.1 Records

2.1.1 All information and records required by the Licence shall:

- (a) be legible;
- (b) if amended, be amended in such a way that the original and subsequent amendments remain legible or are capable of retrieval;
- (c) except for records listed in 2.1.1(d) be retained for at least 6 years from the date the records were made or until the expiry of the Licence or any subsequent licence; and
- (d) for those following records, be retained until the expiry of the Licence and any subsequent licence:
  - (i) off-site environmental effects; or
  - (ii) matters which affect the condition of the land or waters.

2.1.2 The licence holder must:

- a) undertake an audit of their compliance with the conditions of this licence during the preceding annual period, and
- b) prepare and submit to the CEO by 1 August each year an Annual Audit Compliance Report in the approved form.

2.1.3 The licence holder shall implement a complaints management system that as a minimum records the number and details of complaints received concerning the environmental impact of the activities undertaken at the Premises and any action taken in response to the complaint.

## Schedule 1: Maps

### Premises map

The Premises is shown in the map below. The pink line depicts the Premises boundary.
